

The City of Lake Mills

Bulk Items Collection Program

Effective Jan. 1, 2019

**You must call Johns at 262-473-4700
to schedule each bulk items collection.**

Bulk items will not be removed - unless called to schedule.

- You may receive up to one collection per month at no charge.
- You may call on any week of the month. Collections will be made 2 - 4 times per month (depending on call volume).

Acceptable Items Included in Bulk Items Collection:

- Furniture
- Appliances (including those with CFC's, i.e. refrigerators)
- Automotive Tires (up to 2 per month, max 8 per year)
- Drain Oil – must be in 1 gallon or larger containers, sealed and labeled.
- Automotive Batteries
- Earth, rocks, concrete, loose construction materials, etc. – must be contained in 32-gallon or smaller garbage cans, weighing no more than 60 lbs. **Construction materials in garbage bags will not be accepted.**
- No limit on number of cans that will be collected - all material must be properly prepared for collection.

PLEASE RECYCLE!

1. You can help recycle correctly by completely emptying and flattening all cardboard boxes.
2. Please keep **ALL** plastic bags out of the recycling cart. Plastic bags belong in the garbage cart.

Please place the following items in the Green Recycle Cart:

MIXED CONTAINERS

- Aluminum cans & clean aluminum foil
- Tin cans, steel cans, aerosol cans, empty/dried paint cans
- Glass bottles & jars
- #1-7 plastic bottles or jugs
- Milk cartons, juice boxes, soup cartons

MIXED PAPER

- Newspaper, magazines, paperback books, mail, school/office paper
- Corrugated cardboard (flattened)
- Gray chipboard (cereal & shoe boxes)
- Paper bags

Do not put the following items in the green cart:

- Styrofoam
- Yard waste
- Cords, wire, rope, chain
- Household hazardous waste
- Construction materials
- Plastic bags & toys

Call Johns to Schedule - (262) 473-4700 M-F 8:00 to 4:30 Sat 8:00 - Noon
